Re: Closure of Division File for Small Mine Operation, Pene Mining, Pussycat-Kelli Jo Project, S/019/030 (UTU-72507), Grand County, Utah

Dear Mr. Pene:

The Division will close file S/019/030 for the Pussycat-Kelli Jo Project small mine operation. This file closure is a result of the April 1999 settlement agreement between yourself and the United States Department of the Interior, Bureau of Land Management (BLM). The Division file was not closed sooner for lack of copies of the pertinent documents. As a result of this settlement, the Division understands the BLM is now in control of the project area; therefore, you are hereby released from further Division reclamation responsibility at this site.

If you have any concerns with this file closure please contact me at (801)538-5267, or Joelle Burns at (801) 538-5291 within 15 days, or no later than December 29, 1999. Thank you for your cooperation.

Sincerely,

Anthony A. Gallegos
